Low Cost, Effective Fixed-Fee Collection Service Now Available To All NPLC Members!

From Bad to Good

Tired of losing one third or more of your money to collection agencies? National Credit Systems, Inc. (NCS) has the solution. For one flat fee per account, NCS will get the job done for you.

Flat Fee

Unlike other collection agencies, NCS does not charge percentage fees – and unlike other national fixed-fee collection agencies, NCS incorporates telephone collections, letters, attorney contact, and debtor audits.

Direct Remit to You

All recovered money is sent directly to you, not to the collection agency. You keep 100% of your money. Nothing is owed to NCS.

Credit Bureau Reporting

If the debtors fail to pay, NCS will report them to TransUnion, Equifax, and Experian credit bureaus at no additional charge. Bad credit will remain on your delinquents' files for up to 7 years!

Special Association Member Upgrade

NCS is now offering all NPLC members a Free Bonus Upgrade Package valued at over $300. Large or small, many or few, NCS will take action on your delinquent accounts.

Easy to Use

NCS is fully web enabled. Bad accounts may be submitted via the Internet, spreadsheets, hard copy, or if preferred, on NCS Claim Forms.
